

Streit zwischen Schwestern? Zum Verhältnis von Exegese und Religionsgeschichte

ZThK 106 (2009) 20–40.

Rivalry between Sisters? The Relationship between Exegesis and Religious Studies: This article deals with the complex relationship between New Testament exegesis, namely theological exegesis, and 'Religionsgeschichte' (history of religions; religious studies). Although historical and theological perspectives differ in various respects both are in need of a hermeneutical access in order to come across to a deeper understanding of early Christianity and its texts.
